Step 2 - Click on the Service Request tab

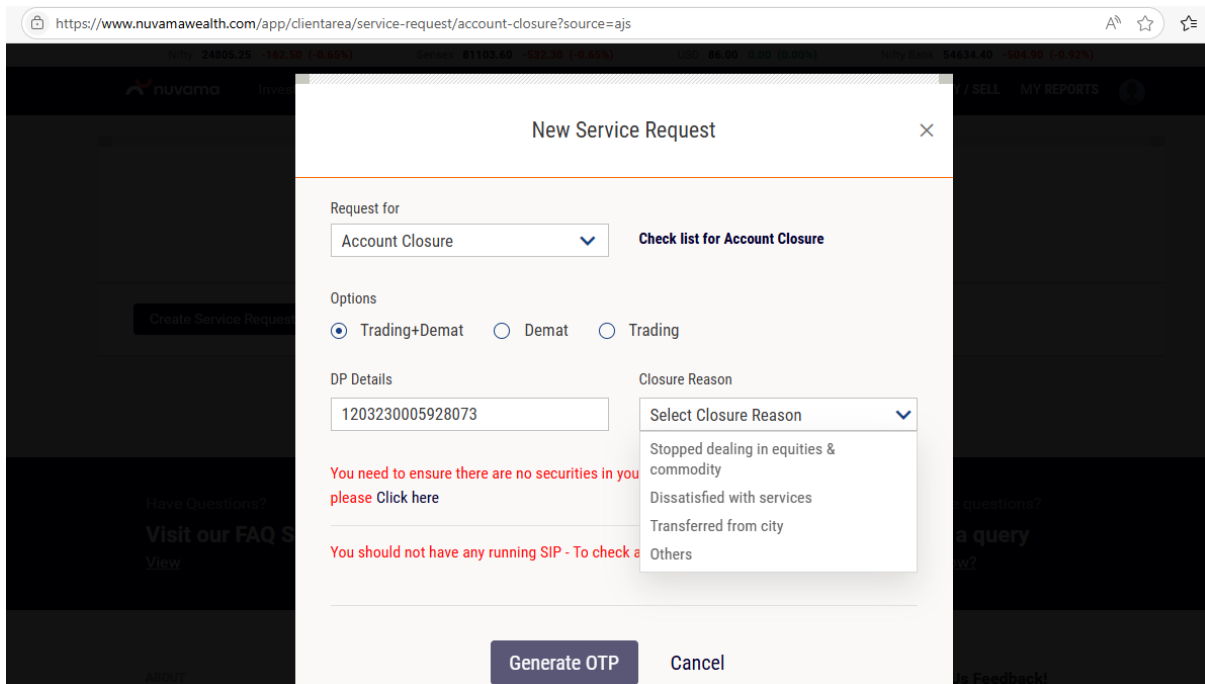

Step 3 - Click on Create Service request option

Step 4 - Choose request type as "Account closure"

Step 5 - Select appropriate closure reason from the given drop down and generate OTP

The screenshot shows a web browser window with the URL <https://www.nuvamawealth.com/app/clientarea/service-request/account-closure?source=ajs>. The main content is a modal titled "New Service Request" with a close button (X). The form contains the following fields and options:

- Request for:** A dropdown menu set to "Account Closure". To its right is a link: "Check list for Account Closure".
- Options:** Three radio buttons: "Trading+Demat" (selected), "Demat", and "Trading".
- DP Details:** A text input field containing the number "1203230005928073".
- Closure Reason:** A dropdown menu with the following options: "Select Closure Reason", "Stopped dealing in equities & commodity", "Dissatisfied with services", "Transferred from city", and "Others".

Below the form, there are two buttons: "Generate OTP" and "Cancel".

Two red error messages are visible on the left side of the form:

- "You need to ensure there are no securities in your account. please [Click here](#)"
- "You should not have any running SIP - To check a [link](#)"

Update OTP received on registered mobile number, your account closure service request will be duly created.
